(iii) To conduct surveys on health related concerns.

(iv) To organize 'health-walks' as part of social campaigns.

(v) To organize 'health fairs' and immunization projects.

(vi) To create 'health help line' within the school to cope with emotional distress, social behaviour and to clarify misconceptions regarding sexual and reproductive health.

(vii) To teach students techniques of yoga and meditation from their early age, and

(viii) To inculcate into the minds of the students about the healthy and positive ways of living.

It further stresses that all students will be eligible to participate in the Health Clubs. All schools affiliated to CBSE are expected to set up such health clubs.

Food poisoning due to mid-day meals

1958. SHRI SHANTARAM LAXMAN NAIK: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the number of cases of food poisoning after consuming mid-day meals that have been reported to Government, since the commencement of the scheme, State-wise; and
